### Description

Kona's diversity-laden tribute to singlespeed and fixie fixated hipsters is back with better parts and deep dish, curiously orange rims. The Paddy Wagon features a high bottom bracket, increased pedal clearance for fixed riding, but maintains classic road geometry with fender clearance for funky-less commuting. You ride young rad person. Ride and look cool, without spending money on clothes. Cause on a Paddy Wagon, ain't nobody going to be looking at you.

RRP RM 2390
