Description

SOUKRI MOUNTAIN BIKE

A lightweight aluminium hardtail frame is complemented by 27.5" wheels sized in Maxxis Ardent tyres for a great balance of grip and speed. Bumpy trails are tailor-suit with the 120mm Suntour fork, and the 27 speed Shimano gears make the Soukri a truly versatile trail bike. When the fun has to come to an end, Tektro hydraulic disc brakes provide reliable stopping power. The Soukri is the perfect MTB for women who want a comfy ride that can easily handle being thrown around on the trails.

Frame: Lightweight 7005 aluminium
Fork: Suntour XCM 120mm travel for control on the trails
Gear: Shimano Altus 27 speed gears will give you a great range
Brakes: Tektro HD-M290 brakes for controlled stopping on long descents
